BRONCO ROUND-UP 2024

Attaching Your IPICO Timing Shoe Tag

You must wear the timing chip in order to get an official time and place.

Each team needs to return their chip shoe tags on the long zip tie included in your packet and return to packet pick up at the end of the meet before you leave. There will be a \$15.00 charge per chip not returned.

Attach one chip to your shoe. **Make sure the number on the chip matches the chip assignment number on your roster in your team packet.** We prefer that you attach the chip with the provided Twist Ties.

1. Snug up the TIE into place. **TWIST** the tie to secure the chip to your shoe.
2. Chips **MUST** be attached to the shoe. **DO NOT** run with the chips in your hand, pocket or pinned to your running top.
3. PIN YOUR BIB TO CHEST - VISIBLE FROM THE FRONT

Attaching your IPICO Sports Tag to your shoe.

You must wear the IPICO Sports Tag to get an official finishing time. If you do not wear your IPICO Sports Tag then the system will not record you finishing and therefore we will be unable to provide you with a finishing time. NO TAG NO TIME!

When you cross the Finish line, we have teams of specially equipped helpers to remove the IPICO Sports Tag from your shoe – you do not need to do anything apart from following the volunteers instructions.

STEP 1

Loosen the laces of your running shoe.

STEP 2

Thread the wire twist ties under the laces.

STEP 3

Thread the IPICO Sports Tag onto the wire twist ties.

STEP 4

Secure the IPICO Sports Tag by twisting the wire twist ties firmly together.
